

Signature by VingCard

Traditional locks

Where design integrity is top priority, there is a desire for the necessary hardware to blend into the interior, thus becoming virtually invisible to the end-user.

We have complemented our Signature by VingCard locks with high quality traditional locks to exactly match the style and finish of any Signature by VingCard lock, ensuring a uniform and sophisticated style throughout your property.

FEATURES:

- For aesthetic appeal, our traditional locks provide a uniform look throughout the property from main entry to bathrooms.
- Conforms to or exceeds the toughest building codes.
- Materials and finish; Satin Chrome, Satin Brass, Polished Chrome and Polished Brass.
- Suitable for storage room-, closet-, passage-, interconnecting-, bathroom doors and more.

Signature 1000 series

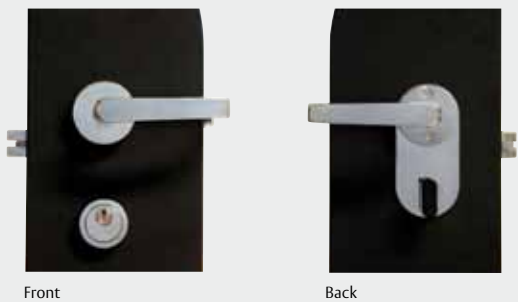

Signature 1000-series is available with EURO, ANSI DB (deadbolt below) and ANSI DA (deadbolt above) lock cases. It comes with the same handles as Signature electronic locks and in the finishes Satin Brass, Satin Chrome, Polished Brass and Satin Chrome to perfectly match the guest room doors with the back of house locks.

1001

Doors that do not need to be locked. Latch bolt operated by handle from either side (no locking).

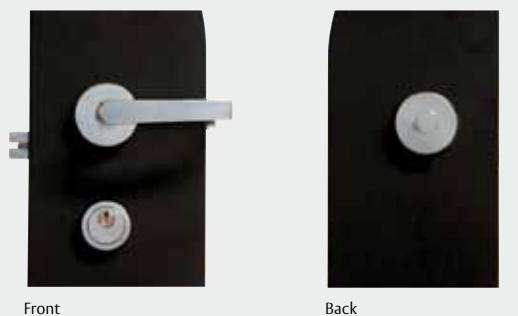

Application	Lock parts	Operating parts
