Elsafe Sentinel II
Electronic Safes

Elsafe goes beyond the ordinary with its new Sentinel II in-room safe series. We have taken in-room security to a new level and combined it with a functional and trendy design.

Sentinel II delivers the same unmatched security standards Elsafe is known for. In addition, Sentinel II RFID allows your users to securely operate the safe with the same RFID room key, thus becoming the perfect in-room safe for the quality and design conscious proprietary, without compromising your users´ security needs.

FEATURES

: UL-1037 Certified for physical strength and security.

: Industry-leading Audit Trail.

: Flash memory.

: Reprogrammable configuration.

: ADA compliant telephone style keypad.

: 4 digit code.

: LED display for clear visible numbers.

: Green backlit keypad.

: Internal light.

: Push button to lock door.

: Powered with 5 AA batteries.

: Low battery warning.

: Easy external battery change

: Spring loaded door.

: Accommodates up to 17" laptop in certain models.
